

AFFIDAVIT OF DAVID FISH

I swear under penalty of perjury that the following information is true:

1. My name is David Fish. I am over the age of twenty-one and I am competent to make this Declaration and I have personal knowledge of the matters set forth herein.

2. I graduated #2 in my law school class from Northern Illinois University College of Law in 1999. Prior to starting my own firm, I was employed by other law firms engaged in litigation in and around Chicago, Illinois including, Jenner & Block in Chicago as a summer associate, Klein, Thorpe & Jenkins in Chicago as an associate and The Collins Law Firm, P.C. as an associate.

3. I have extensive experience representing employees and employers in labor and employment disputes. I have handled disputes with the Illinois Department of Labor, the United States Department of Labor, the Illinois Department of Human Rights, the National Labor Relations Board, the Equal Employment Opportunity Commission, and in the state and federal courts in Illinois. I have litigated dozens of cases in the United States District Court for the Northern District of Illinois.

4. My law firm's resume is attached hereto.

5. I am the former chair of the DuPage County Bar Association's Labor and Employment Committee and served on the Illinois State Bar Association's Labor and Employment Committee Section Council. I also am a member of the National Employment Lawyers Association.

6. I have, on several occasions, lectured at educational seminars for lawyers and other professionals. I moderated a continuing legal education panel of federal magistrates and judges on the Federal Rules of Civil Procedure through the Illinois State Bar Association. I have presented

on electronic discovery rules and testified before the United States Judicial Conference in Dallas, Texas regarding electronic discovery issues. I have provided several CLE presentations on issues relating to labor and employment law.

7. I have authored, or co-authored, many articles, including: “Enforcing Non-Compete Clauses in Illinois after Reliable Fire”, Illinois Bar Journal (April 2012); “Top 10 wage violations in Illinois”, ISBA Labor and Employment Newsletter (August, 2017); “Physician Non-Complete Agreements in Illinois: Diagnosis—Critical Condition; Prognosis- Uncertain” DuPage County Bar Journal (October 2002); “Are your clients’ arbitration clauses enforceable?” Illinois State Bar Association, ADR Newsletter (October 2012); “The Legal Rock and the Economic Hard Place: Remedies of Associate Attorneys Wrongfully Terminated for Refusing to Violate Ethical Rules”, Univ. of W. Los Angeles Law Rev. (1999); “Zero-Tolerance Discipline in Illinois Public Schools” Illinois Bar Journal (May 2001); “Ten Questions to Ask Before Taking a Legal-Malpractice Case” Illinois Bar Journal (July 2002); “The Use Of The Illinois Rules of Professional Conduct to Establish The Standard of Care In Attorney Malpractice Litigation: An Illogical Practice”, Southern Illinois Univ. Law Journal (1998); “An Analysis of Firefighter Drug Testing under the Fourth Amendment”, International Jour. Of Drug Testing (2000); “Local Government Web sites and the First Amendment”, Government Law, (November 2001, Vol. 38).

8. I have been involved in this litigation from the start. The proposed Settlement Agreement provides an excellent result for the Class Members. It provides Class members a definite recovery and was entered into at a time when the outcome was uncertain. The settlement agreement entered into in this case represents a fair compromise of a disputed claim. Given the uncertainty relating to the law at issue, including the statute of limitations and workers

compensation preemption and what constitutes a biometric identifier, I believe it to be a more than fair outcome for the Class.

9. The parties engaged in multiple rounds of vigorous negotiations, resulting in a sharply-negotiated Settlement Agreement. The negotiation occurred in an environment of uncertainty about open issues, i.e., statute of limitations, preemption, and other significant uncertainties. The parties then exchanged multiple drafts of a settlement agreement.

Pursuant to 28 U.S.C. § 1746, I declare and state that the factual statements contained herein are true and correct.
